ORDERS PLACED WITH BATZ CORPORATION CONSTITUTES ACCEPTANCE OF THE FOLLOWING:

1. TERMS

- » Normal terms are 10% 15 D Net 30, unless other wise stated at account setup. Discount will only apply to the sales amount. No discount is allowed on freight charges.
- » A finance charge of .8333/month (10% per annum) will be charged on all accounts over 30 days.
- » In the event legal action becomes necessary to collect all or a portion of this account, it is understood that buyers shall be liable for all attorney fees, court costs, and collection fees incurred.
- » A \$25 service charge will be applied for each returned check!
- » New Accounts will be shipped COD or Credit Card until credit is established. We accept VISA, Master Card, and Discover as a form of payment.

2. FREIGHT

- » All goods are FOB point of shipment. Unless prior arrangements have been made, routing and method of shipment will be made by Batz Corp. Truck shipments are shipped on a freight collect basis unless other arrangements are made.

3. MINIMUM ORDERS

- » Our minimum orders are set at \$50. A \$10 fee will be applied to all orders under \$50. This does not apply to backorders.

4. BACKORDERS

- » All items not shipped will be backordered and shipped when available, unless otherwise instructed. If you do not want backorders, please state on your orders.

5. SHORTAGES & CLAIMS

- » All claims for hidden shortages must be made within 10 days after delivery
- » All orders that leave our warehouse are sent in a safe and secure manner. We are not responsible for damage en route caused by any mishandling of the packages.
- » If, for any reason, shipment is delivered broken, mutilated or incomplete, purchaser should refuse to receive shipment unless carrier acknowledges shipment as being "SHORT" or "IN BAD ORDER" and makes note of claim.
- » Since proof of damage or short shipment is in Purchaser's possession, Batz Corp. cannot file claim. Claims must be filed by purchaser.
- » Always save the Bill of Lading and paid freight receipt. Carrier will demand these documents when considering a claim.

6. RETURNS

- » There will be a 10% restocking fee on product returned within 30 days of invoice date and a 25% restocking fee on product returned between 31-60 days of invoice date.
- » We will not accept returned product(s), for any reason after 60 days of invoice date.
- » We will not accept returned products(s) without prior authorization. A return authorization number will be provided by a representative of Batz Corp. and must be noted on the outside of return packages.
- » The customer is responsible for return freight cost to Batz Corp. unless the return is stemming from a mistake made by Batz Corporation and return freight credit is authorized by a representative of Batz Corp.

7. SAFETY NOTICE

- » Batz Corp. warrants that material delivered to buyer will be as described in our current catalog. Batz Corp. and/or its employees make no warranty that the materials are merchantable or that they are fit for a particular purpose.
- » When Human Safety is a factor in the use of any of our products, Batz Corp. advises the purchaser or consumer to consult back with the manufacturer of that product to receive the products adequacy, prior to it being used.
- » It is the obligation of the user to determine whether or not each item is suited for its intended use.

8. WARRANTIES

- » All products sold by Batz Corp. are thoroughly inspected, however, it is not always possible to detect hidden defects. Batz products are warranted in that we will replace defective items without charge provided both the product and proof of purchase are returned to Batz Corp. with (30) days of purchase.
- » This warranty does not include any expense arising from consequential damages or normal wear expected in the use of the product.
- » This warranty is the only warranty made and is expressly in lieu of all other warranties expressed or implied including warranties of merchant ability and fitness for a particular purpose.

Custom Finish to match
ALU-MAX Circle Snap!

Top Reasons our Aluminum Side-Release Buckles are beating the plastic Competitors!

Alu-Max is perfect for company logos and private labeling with custom made poly drops, in-house lasering engraving and/or custom ordered pad printing.

Finishes Available: High Polished Nickle, Satin Nickle, Black, & Matte Black.

With a 500 lbs. break strength, the 1" Alu-Max Side-Release Buckles is twice as strong as most plastic buckles on the market today. Just compare our buckle with the three most popular plastic buckles shown below:

- 1" Nylon (200-350 lbs.) - absorbs water and become brittle in freezing temperatures.
- 1" Acetal (175-250 lbs.) - Acetals high stiffness can make it susceptible to impact.
- 1" Polypropylene (50-100 lbs.) - Not strong enough for most applications.

Consumers may not recognize the difference between various plastics, they will immediately recognize the superiority of our Alu-Max Side-Release Buckles.

Made of aluminum, with stainless steel pin and spring. Suitable for use in sub-zero temperatures.

Zinc Diecast Metal Side-Release Buckle

Global Innovation

Finally, there is an alternative to plastic side-release buckles. Batz Corporation is proud to offer you the best in German engineering and design. It has long been our goal to develop a strong **ALL METAL SIDE-RELEASE BUCKLE** with unbeatable design and unmatched durability. We hope you will agree that we have achieved that goal.

Top reasons why our **ALL METAL SIDE-RELEASE** Buckles are the absolute best for your customers:

- Laser engraveable. Perfect for company logos and private labeling.
- At just over 500 lbs. our 1" **ALL METAL SIDE-RELEASE** Buckles is twice as strong as most plastic buckles on the market today. Compare our buckle with the three most popular plastic buckles:

Nylon (200-350 lbs.) - Absorbs water and becomes brittle in freezing temperatures.

Acetal (175-250 lbs.) - Acetals high stiffness can make it susceptible to impact.

Polypropylene (50-100 lbs.) - Not nearly strong enough for even medium size dogs.

- While consumers may not recognize the difference between various plastics, they will immediately recognize the superiority of our **ALL METAL SIDE-RELEASE** Buckles.
- Unbreakable by dog bite. Dogs easily crush all plastic buckles.
- Made of Zinc Diecast, with Stainless Steel pin and spring. Suitable for use in sub-zero temperatures.
- Extremely stylish and contoured for a perfect fit.

Zinc Diecast Metal Side-Release Buckle

- Use our all metal side-release when you must have the best in style, strength and durability.
- Sizes: 5/8" 3/4" 1" 2"
- Platings: Antique Brass, Black Nickel, Gun Metal, Nickel, Brass, or Powder Coated with high polished or brushed finishes. Other platings available on special request.

Perfect for dog collars, tool belts,
